EVERYTHING-DOESN'T-HAVE-TO-BE-GREEN COCKTAIL

Let's ponder the St. Patrick's Day cocktail. Should it automatically be green? Is green beer really a good idea? And when you get right down to it, leprechauns didn't find broccoli at the end of the rainbow. They found gold. To that end, we present a peachy keen twist on the classic "Irish Gold" cocktail. Enjoy, and Erin go Bragh.

SERVING SIZE: 1 cocktail

INSTRUCTIONS:

Pour the Irish whiskey, peach schnapps, Peach Vanilla Bean Fruit Spread and orange juice in a shaker. Add a scoop of ice.

Shake it like you mean it!

Pour contents into a Collins glass, over ice, and top with ginger ale. Garnish with a lime slice.

Enjoy responsibly.
